New Harbor Walk Historical Markers

Over the last 2 years, volunteers and city staff have been working on replacing the old Harbor Walk markers which were originally installed in the 1980s. 21 new markers have been installed and have been mostly funded by private donations. You can find where the markers are on the location map at this link: www.south-haven.com/pages/misc/07242015/Harbor_Walk_Sign_Locations_2015.pdf

New Exit Opens on Phoenix Street

The Michigan Department of Transportation (MDOT) has completed the construction of Exit 20B on Interstate I-196. The new exit ramp provides improved access to Phoenix Street's westbound traffic. Phoenix Street eastbound traffic is exit 20A.

Water Street Improvements

City staff has been working to develop a landscape and street scape improvement plan for Water Street. The improvements focus on the south side of Water Street (the hill side.) The plan includes improved landscaping, sidewalks, and a stairway. The plan will need review and comment from variety of boards before City Council's adoption. To view a draft of the plan, follow this link: http://www.south-haven.com/pages/misc/07102015/Water_St_Improvements.pdf
