City Hall will be closed
Monday 9/5/2016**

Just a few reminders...

- The City of South Haven Code of Ordinance states that trash containers may be placed on the curb no more than 24 hours prior to trash pick-up, and removed no more than 24 hours after trash pick-up.
- Every person who owns, occupies or leases any land within the city must cut, destroy, and remove all noxious and poisonous weeds growing on the property, as well as dead grass and brush. The resident must also prevent grass from growing in excess of nine inches in height.

- Fall is just around the corner and the City of South Haven will be picking up leaves. If weather permits (rain or snow is not occurring on the days scheduled

for leaf pick-up) and there are no problems with the trucks this should go smoothly. Please be patient and remember that a leaf truck is a large vehicle and cannot turn around easily. The street crew will complete one side of the street and come back to do the other side, which may occur on a different day.

- In an effort to assist the city street crew, please rake your leaves to the parkway (the area between the sidewalk and the street). Please do not rake them into the street. This will clog the storm drains and also make it difficult for the leaf truck to pick-up your leaves. The City of South Haven appreciates your time and attention to this matter. If you have any questions please contact the Public Works Department at (269) 637-0737.
- Please note: Leaf trucks work within the City Limits only.

Fire Safety Fun Night

Fire Safety Fun Night

October 13, 2015
5:00 PM to 8:00 PM
