Re: Irrigation System in Right of Way

The City of South Haven is willing to pay for the replacement of irrigation systems damaged within the ROW of the North Shore/Monroe project areas. The City will cover costs up to \$500.00. The irrigation contractor will bill the City of South Haven directly, providing to the City an itemized list of the repairs. If you have any questions or concerns, feel free to contact me at 269-637-0719.

Here are the names of local irrigation contractors:

Coastal Landscaping	269-637-4601
DeBest	269-637-5666
Lawn Boys	269 427-7924

To prevent damaging to the repaired systems, we do not want to repair systems until after restoration is complete. Restoration is complete once the trees are planted and black dirt and see are laid.

Sincerely,

William Hunter
