

MEMORANDUM

DATE: April 4, 2017

TO: Brian Disette

FROM: Jason W. Marquardt, P.E.

RE: North Beach Park Improvement and Paving Project

North Beach Park Improvement Project

The contractor has started constructing the storm sewer at the south end of the project. Milbocker & Sons continues to prepare for the concrete sidewalk construction. Concrete sidewalk on the boardwalk plaza will start once weather allows.

Over the next week, the contractor will continue on storm sewer installation. Concrete work will begin at the north end adjacent to the concession building and will be installed from north to south.

North Beach Paving Project

Compton, Inc. has completed all of the water main installation. The contractor will continue to work every few days to complete removals as needed. Work to prepare for resurfacing streets will occur later in April.

Tailgate talks for both projects will be completed every week on Tuesday at 3:00 pm at the Monroe Park Area. For anyone who has specific questions or comments, please feel free to contact me at (269) 926-4565.
