

MEMORANDUM

DATE: April 18, 2017

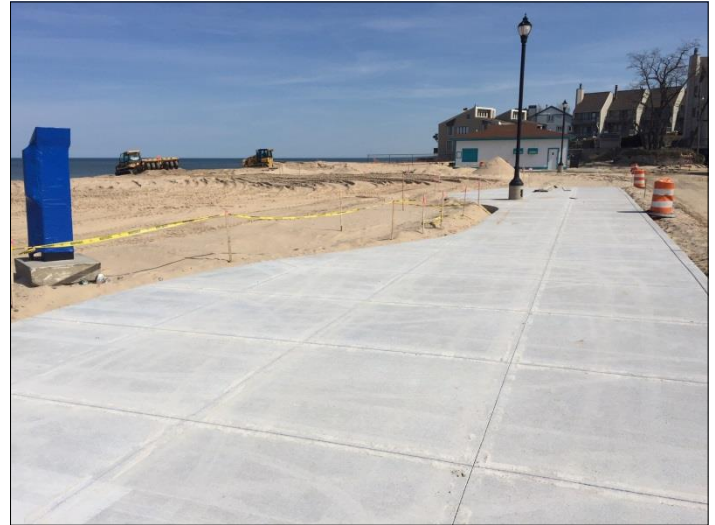

TO: Brian Dissette

FROM: Jason W. Marquardt, P.E.

RE: North Beach Park Improvement and Paving Project

North Beach Park Improvement Project

Milbocker & Sons has completed half of the concrete sidewalk installation from the restrooms to Esplanade Pl. The contractor is currently working on installing the gravel base and grading of the roadway and will continue the sidewalk and concrete installation. This work will continue over the next few weeks as the site starts to get prepped for asphalt paving in May. Site amenities will be installed as they become available to the site.

North Beach Paving Project

Compton, Inc. continues to remain on hold for a majority of their site work as they wait to complete it closer to the asphalt plants opening for the season.

Tailgate talks for both projects will be completed every week on Tuesday at 3:00 pm at the Monroe Park Area. For anyone who has specific questions or comments, please feel free to contact me at (269) 926-4565.
