FALL LEAF PICKUP

The Street Crew will start picking up leaves around the middle of October. When the crew is underway with the leaf trucks, they will start in Ward 1 and continue through Ward 2 and Ward 3 and repeat.

If weather permits (rain or snow is not occurring on the days scheduled for leaf pickup) and there are no problems with the trucks this should go smoothly. Please be patient and remember that a leaf truck is a large vehicle and cannot turn around easily. The street crew will complete one side of the street and come back to do the other side, which may occur on a different day.

In an effort to assist the city street crew, please rake your leaves to the parkway (the area between the sidewalk and the street). Please do not rake them into the street. This will clog the storm drains and also make it difficult for the leaf truck to pick-up your leaves. The City of South Haven appreciates your time and attention to this matter. If you have any questions, please contact the Public Works Department at (269) 637-0737.

Please note: Leaf trucks work within the City Limits only.
