### **Dyckman Avenue Bascule Bridge Rehabilitation**

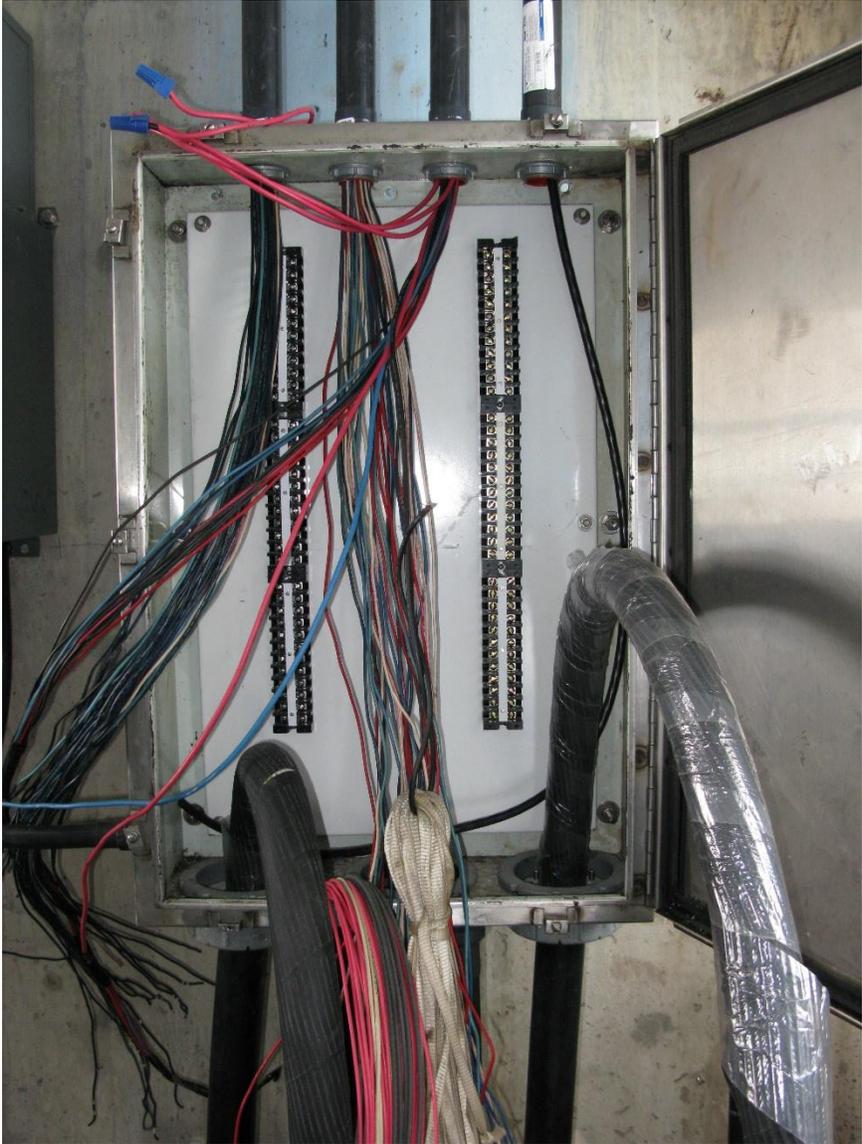

#### Progress Report – Week 21

No following work was completed during the week of March 2-6:

- Install two main hydraulic cylinders on south (near) side
- Install new LED lighting in bridge tender house
- Install various electric components

It is anticipated that the following work items will be completed in the coming weeks:

- Continue Hydraulic Machinery and Electric Improvements
- Begin installation of Riveted Steel Deck Grating
- Remove scaffold from beneath center span to permit non-masted navigation
