### Dyckman Avenue Reconstruction

#### Progress Update

May 14, 2015

The following work has been completed in the past week:

- Continued work on concrete sidewalk, ramps, and driveways
- Continued parkway regarding and turf restoration work
- Completed asphalt surface course on all projects
- Completed pavement markings on Dyckman Ave
- Began installation of regulatory and warning signs

The following work remains to be completed:

- Install mulch blankets for turf restoration
- Finish sign installation
- Complete small retaining wall and sidewalk ramps near Yelton Manor

Dyckman Avenue and the Bascule Bridge will be reopened once the asphalt surface course, traffic signs, and pavement markings are installed.

It is anticipated that this project will be substantially complete by Friday, May 15. Please contact Larry Halberstadt in the engineering department at 637-0770 with any questions.
